

Fundamental British Values

☀️ At Enam Childcare we embrace the Fundamental British Values (FBV's) into our curriculum. We are already delivering these in our setting. There are four main themes to the Fundamental British Values (FBV's). They are listed here along with some of the learning links that we support in our settings. If you ever suspect a concern, then use the contact numbers at the end of this page to take further advice or act immediately.
